

To Whom It May Concern

Thank you for considering my Portfolio. As You go through my Portfolio, I hope You will see that I am a Strong Candidate for the Job, based on my Skills and Experience.

My Portfolio Showcases the following:

HTML: I have Expertise in HTML, which is an added advantage for the Job. My Knowledge and hands-on experience in Visual Studio Code would be beneficial for Your Organization.

CSS: I am proficient in CSS and have worked on several Projects. I have Experience in Responsive Web-Design, and I am confident in my abilities to perform in this Position.

JavaScript: I have a year Experience in JavaScript, which is essential for the Job. I have worked on several Projects and have received positive Feedback.

Other skills: can be viewed on my online Portfolio-showcase and my Blog. In addition to my Technical skills, I am a diligent Worker who is Self-Motivated and Proactive.

Thank you again for considering my Portfolio for the Position. Please feel free to Contact me if there is any further Questions, or if I can provide any additional Information.

**Best Wishes
Hasan Yildirim**
